Moirra Galbraith

Tanya Charles

Katie Vincent

Amber Garraway

Softball teams playing tonight so quite a few people will be missing tonight

Roller hockey, mixed fastball, summer soccer, men summer all here

Motion to accept the minutes of the last meeting, Katie, second Tanya

There was a request to have some A's suit to give for donation, none available at the moment, sold the majority at the bottle drive

Tom has gotten names from the soccer awards night for updating the website, Amber will e-mail Mike Akam about the bulldog sweat tops; would like to order some more if the interest is there

Treasurer's Report:

Money is being set aside for winter teams, some summer team cheques have not gone through yet, and the GIC's are still in place

Cricket team lost their cheque; Amber had to do a stop payment and new cheque reissued. Need to stress to teams that these type of actions cost money

Bills to be paid: sport trader for hoodies, Katie, second Tanya

Hyacinth league has put an extra request to teams in the form of \$270 mandatory tractor payment. Motion to pay Katie, second Adam

Motion to accept the report as read, Tanya, second Sean

Katie will email teams about old gear and uniforms for sending to Afghanistan, almost anything will do: shoes, old shorts, socks in good condition, etc

Ball teams, do they need any gear, uniforms or else; hard to answer this when there really isn't very many people from ball here (all playing)

Like to set up another bottle drive and the over 40 men's soccer still owe their fundraising money

West Shore: negotiations are about getting home field, something in better condition than anything we are used to now, Dell has been talking with them and hope to hear something concrete at next meeting

Email Mark about cheque for BC summer games

Shannon to look into finding nets for premiere and div 3 for next season, maybe check to see if any of the other teams need nets

Roller hockey: two seasons so play year round, agreement has been made for paying for jerseys and getting them crested with an A's logo. In this trial run players will pay for the portion of the season that they are playing, A's will pay of the cost of jerseys and full fall season; come the new year we will reevaluate the whole situation to see if we could support another portion of the year, motion to accept Katie, second Tanya

Div 4 men' soccer will still be booking at Oak Bay for practice

Tomas is trying to convince Kevin from upper deck to let the association move back there for a place to meet plus act like a clubhouse. This led to a lot of discussion about the need for a common place for all the teams to come to, both summer and winter. Is it feasible to share a space with the Vantreights? They are talking about expanding into the next section so there would be more space.

Motion to adjourn, Katie, second all
